Mr. Steven Garfinkel  
Director, Information Security  
Oversight Office (Z)  
General Services Administration  
18th & F Streets, N.W.  
Washington, D.C. 20405

Dear Mr. Garfinkel:

During the period 1 April 1987 through 30 September 1987, the Agency referred 12 cases of unauthorized disclosure of classified information to the Department of Justice (DoJ) for investigation. These cases were considered to be major unauthorized disclosures.

During this same period, 34 additional cases of unauthorized disclosure were reported to the DoJ. In these cases, unfortunately, DoJ investigation is unlikely. The disclosed information was widely disseminated throughout the Intelligence Community, and the Agency was unable to provide DoJ with substantive leads or to narrow the list of possible suspects.

In addition to the above unauthorized disclosures, two cases involving possible violations of the Identities Protection Act were referred to the DoJ for investigation.

If you have any questions concerning this report or wish to have a briefing on the unauthorized disclosures, please contact
